This form may be used in order to record daily ridership and driving in order to assign driver credit. Print the form and complete the member information as required on the left. Place a check mark in the box if that member is riding that day, and the initials for the day's driver in the corresponding day of the month box at the top. By the 5th of each month, log on to the Every Commute Counts website to complete the ridership and driving log. **If we do not receive the monthly ridership roster and driving log by the 6th of the month, no driver credits will be awarded.**

I, _____ warrant the truthfulness of the Monthly Ridership and Driver Log information provided therein.
